VERMOUTH

MANHATTAN COCKTAILS

The Manhattan

From its unique history, taste, creative versatility and more – the Manhattan is the most enduring and riffable classic of all time.

Vya Sweet Vermouth

Balanced

Vya Vermouth is made like a fine wine. Each component is carefully selected in the quest for the perfect balance of bitter and sweet.

Aromatic

A blend of herbs heightens the sensory experience. Ginger, cinnamon, cardamom, nutmeg, and clove, among others, create multiple dimensions and avenues for pairing.

Rich

Viscosity and nuance in the base wines of Tinta Roriz, Orange Muscat, and dry white make Vya the only vermouth to have a fine wine base.

Awarded “Best” Vermouth at IWC 2017

In 2017, Vya Sweet Vermouth was honored with the Vermouth Trophy at the International Wine Challenge (IWC) in London, an award which highlights its recipient as the best of all vermouths at the competition.

At the IWC, wines of all varietals, regions, and styles are blind taste-tested and recognized accordingly during two stages of judging. From there, gold medal recipients go on to compete for the competition's prestigious trophy medals. Only a single gold medal winner can be awarded a designated trophy medal, earning it the reputation of being the best in that category.

A close-up photograph of a classic Manhattan cocktail. The drink is a vibrant yellow-orange color, served in a chilled, conical martini glass. A single brandied cherry is perched at the bottom of the glass, partially submerged in the liquid. To the left of the glass is a metal cocktail shaker, its surface reflecting the ambient light. The background is dark and out of focus, showing warm, bokeh-like lights that suggest a sophisticated bar or lounge setting.
