## The Classics Deserve Better.

Essensia Orange Muscat Dessert Wine by Quady Winery is a better choice for all of your classic cocktails that call for an orange liqueur. A fine dessert wine with a rich and flavorful history, Essensia imparts balanced yet stunning orange, apricot and honey flavors and aromas. Essensia is made in California from a small, family owned winery using a rare grape variety, Orange Muscat, which is crushed on its skins and is then barrel aged. This award winning dessert wine delivers more expressive orange flavors and can be enticing to low ABV customers with an alcohol content at less than half of traditional orange liqueurs, all at a more value friendly price.

Quady Essensia Orange Muscat Dessert Wine  
Grape Varieties: Orange Muscat & Muscat Canelli  
Alcohol: 15% (Fortified) • pH: 3.4 • RS: 17.0% • TA: 7.7
