SWEET & APÉRITIF WINES

RED ELECTRA MOSCATO

Sweet, Garnet red with a slight spritz and full of succulent cherry, berry, and peach flavors, there's no mistaking the immediate allure of Red Electra Moscato. Red Electra offers the perfect balance of sweet and tart, like biting into a juicy ripe summer peach. Exciting and refreshing at only 5.5% alcohol, Red Electra is the ideal party wine and is Quady Winery's number one selling wine.

Red Electra Moscato is made by combining Orange and Black Muscat grapes with Muscat Canelli and fermenting very slowly at a low temperature so they keep their delicious flavors. This same fermentation process creates a light effervescence in every bottle, just enough to "Electra'fy" your taste buds.

Try Red Electra with your favorite desserts including bon-bons, truffles, holiday cookies, vanilla ice cream, or fruit. Pass it around as a playful party companion and perfect refreshment for picnics and BBQ's. Enjoy with fresh goat cheese before or after dinner.

Red Electra makes delicious sangria, sorbet, and ice cream floats. These recipes and more can be found at quadywinery.com.

Grape Varieties: Black Muscat, Orange Muscat, and Muscat Canelli.
Alcohol: 5.5%

"This attractive, sweet red wine practically explodes with rose-petal, candied plum and cherry-syrup flavors on a light body with low alcohol. An appetizing tang of acidity helps balance its sweetness."

- Jim Gordon, Wine Enthusiast, 2022
