SWEET & APÉRITIF WINES

ELECTRA MOSCATO

Soft bubbles float over flavors of sweet citrus, peach and melon. A bouquet of wildflowers refreshes the senses. Electra is a Moscato d'Asti style picnic wine for drinking outside, in warm weather, chilled or on the rocks. Pair it with fresh fruit, salads, spicy Asian and Indian foods, burgers with sweet sauce, light desserts, blue skies and fresh air. And, with only 4.5% alcohol, you can still play volleyball after.

Compared to other moscatos, Electra is more aromatic, crisp and refreshing. Most moscatos are made from Muscat of Alexandria while Electra is over 75% Orange Muscat and the balance is Muscat Canelli. These varieties are more difficult to grow and bare smaller yields, but their aromas and flavors are more refined.

To make Electra, free run juice is fermented for more than a month at low temperature after which it is chilled, sterile filtered, and bottled. This process preserves its delicate flavors and slight fizz.

Electra makes sublime sangria and sorbet. To make sorbet: pour into covered container, freeze overnight, spoon into chilled glassware.

Grape Varieties: Orange Muscat and Muscat Canelli.
Alcohol: 4.5%

"Quite sweet and impressively concentrated, this light-bodied wine pours on flavors of lychee, pear nectar, peach nectar and orange blossoms that keep going and going through a lingering finish."
