

BATCH 88 STARBOARD

non vintage port wine

94 Editor's Choice

"Made from traditional Portuguese varieties, this is one of the best California Port-style wines out there, which is no surprise coming as it does from sweet wine specialist Quady. It's tremendously rich and sweet in chocolate truffle and blackberry-infused flavors, with near perfect acidity and tanins for balance. A great success at a good price for a full, not a half bottle."
