

## Vya Extra Dry Vermouth Aperitif

"Vya is a new sort of vermouth, fresh and vibrant, producing an exceedingly smooth, pleasant aromatic sensory experience. It is made in both white extra-dry and red sweet styles. The extra-dry is so delicious it can be enjoyed straight, as a fine white wine, as well as in ways vermouth is customarily used. Serve as an accompaniment to appetizers, especially those which are salty, such as olives or caviar."
