

# QUADY

SWEET & APÉRITIF WINES

## ELECTRA MOSCATO ROSÉ

### History

As the story goes, Quady winemakers first discovered Electra Moscato while they were tasting through the early stages of our famed Essensia Orange Muscat Dessert Wine. Since then, both Electra Moscato and Red Electra Moscato have become widely known and loved by sweet wine lovers around the world. Quady winemakers wanted to deliver a new and exciting addition to the Electra brand, and began formulating ideas of another angel. They were intrigued by the recent rise of rosé and started wondering if something similar couldn't be done with the Black Muscat grapes we've been working with for decades. Before long, Electra Moscato Rosé filled its first bottle.

### Winemaking

Electra Moscato Rosé is crafted to taste like it belongs next to its sisters, Electra and Red Electra. Like its siblings, it's more aromatic, crisp and refreshing than other moscatos. Whereas most moscatos are made from Muscat of Alexandria, Electra Moscato Rosé is made up of Orange Muscat, Black Muscat and Muscat Canelli. These varieties are more difficult to grow and bear smaller yields, but their aromas and flavors are more refined. To make Electra Moscato Rosé, free run juice is fermented for more than a month at low temperature after which it is chilled, sterile filtered, and bottled. This process preserves its delicate flavors and slight fizz. Its lustrous coral pink hue comes from the Black Muscat grape.

### Taste

Electra Moscato Rosé is light, refreshing and tastes of strawberries and dragon fruit, with a slight fizz. Enjoy for brunch or under the sun, with fresh fruit, creamy desserts, and various sweet and savory foods.

### Technical Data

Vintage: 2019

Grape Varieties: Orange Muscat, Black Muscat & Muscat Canelli

Alcohol: 5.5%

pH: 3.2

RS: 17.6%

TA: 8.4

Electra Moscato Rosé 750ml
