ELECTRA MOSCATO

History

As the story goes, Quady winemakers first discovered Electra Moscato while they were tasting through the early stages of our famed Essensia Orange Muscat Dessert Wine. Before fortification and while the wine was still in its infancy, they noticed it was a lighter and more crisp version of itself. Intrigued, they began to play with this new creation and ended up crafting a moscato unlike any other. Electra Moscato is a refreshing, light and effervescent premium moscato overflowing with fresh peach, melon and citrus flavors - made by the sweet wine experts at Quady Winery.

Winemaking

Compared to other moscatos, Electra is more aromatic, crisp and refreshing. Whereas most moscatos are made from Muscat of Alexandria, Electra Moscato is over 75% Orange Muscat and the balance is Muscat Canelli. These varieties are more difficult to grow and bear smaller yields, but their aromas and flavors are more refined. To make Electra Moscato, free run juice is fermented for more than a month at low temperature after which it is chilled, sterile filtered, and bottled. This process preserves its delicate flavors and slight fizz.

Taste

Soft bubbles float over flavors of sweet citrus, peach and melon. A bouquet of wildflowers refreshes the senses. Electra Moscato is the ideal Moscato d'Asti style picnic wine for drinking outside, in warm weather, chilled or on the rocks. Pair it with fresh fruit, salads, spicy Asian and Indian foods, burgers with sweet sauce, light desserts, blue skies and fresh air.
